# Collective punishment

Israel in order to stop the wave of terrorist attacks must hold the village or neighborhood from where terrorists come responsible for the actions of all its residents. Not only must the family members of the terrorist be held responsible ;but all the members of his/her community.

The terrorist who strike shoot or stabs innocent Jews throw stones bombs at autos of innocent Jews, consider all Jews

responsible for the sin of being a Jew and living in Israel. **This is collective punishment.**

**What is good for the goose is good for the gander.**

We are not stabbing or shooting the members of the family of the terrorist, or the members of his community. We are putting them on notice that everyone is responsible for everyone else. No one can shrug his responsibility. No one can say like Cain in the Genesis “I am

not my brother's keeper”  
Genesis 4:9 God replied “the  
blood of your brother is crying  
from the earth” genesis 4:10

So too, when the Arab  
community realizes that  
everyone is responsible for every  
one else they will be the police  
men to ensure that there be no  
more terrorist attacks.

GOD SUSTAINS ORGANIZED

ALEXANDER the Greek Emperor considered himself a God . He defeated the Persians . He invaded India and became a world power. He was wise and unified his empire. He was tolerant of all religions . He was interested in building an empire.

The last thing he wanted was to have the people revolt because of coercing them to abandon their culture and religion . He followed the Persian model. The Persians followed the religious tolerant policies of the Babylonian empire.

When Rome became the world power they in turn followed the same model of tolerance.

When Europeans espoused

Christianity the Europeans starting in the year 500 ACE after the birth of Jesus reversed the policy of religious tolerance.

Hundreds of thousands if not millions people professing belief in Christ ,who strayed from the official line and dogma at the synod of the year 500, were killed . Their beliefs branded as heresy. Their books burned.

In the 1850s in a monastery in

the Sinai dessert archeologists discovered thousands of manuscripts of the New Testament dated to the years 300-400 that differ from the official King James version . The King James version follows the dogmas adopted at the Synod of the year 500.

500 years after the crucifixion the synod decreed that the Jews bore responsibility for the crucifixion. only if they adopt the dogma of the Synod of 500 would they be spared. Otherwise, the Jews are to be despised treated

like dirt and killed.

320 years after the crucifixion the synod presided by Roman emperor Constantine decreed that the Jesus is the son of God. He has the same substance as God .

[1] God the Father [2] God the Son - Jesus [3] God the Holy Ghost all are part of the Trinity.

Prior to the decree of that Synod Jesus was believed as being a Rabbi -not God - by a group called the Ebyonim. They observed all the religious rituals and followed

all the laws as recorded in the Talmud. They only were stricter in their observance. There existed no supersession of Christianity over all other prior religions. Certainly not over Judaism. The Ebionim lasted for ten generation after the Crucifixion in the year 32ACE .

Another group also denied that Jesus was God. They claimed he became an Angel after his death. They were known as Arians after the name of their leader. The Arians challenged the believers that Jesus and the Holy Ghost are

the same substance as God. They controlled large parts of Europe for hundreds of years. They exist today as non Trinitarian religions. Two such group are the Seven Day Evangelists and the Unitarians.

Another group agreed that he was God and Holy Ghost. However the three are not distinct substances but only glide from one to an other.

An other group said that it was a phantom that was crucified , not

the person of Jesus.

Another claimed that only Jesus' soul flew to heaven , not his body.

All these doctrines were declared heresy. Their books were burned. Their followers killed.

Thus the early Christians from 315-500 ACE killed more of their own kind than the Romans before

# Emperor Constantine.

After 500ACE the Roman empire was over run by the Barbarians Vandals and the Western half of the Roman Empire fell was destroyed . The Eastern half was destroyed by the Roman Catholics in 1215 and then the Turks finished the job in the 1400s.

Thus Christians killed millions of Christians. The first Crusade took place in the South of France against a heretical group of Christians. Over a million men

women infants invalids were slaughtered. All in the name of preserving the true faith as decreed by the synods.

The other crusades 1100-1300 saw the murder of millions as the European kings used Christianity to wrest control of the Holy land from the Muslims. The Crusaders were finally defeated.

The Muslims until the birth of the State of Israel were tolerant to the Jews and other religions.

In 1520 Luther challenged the catholic Church. The wars of Catholics vs. Protestants 1530-1630 saw the killing of millions. Today the Protestants have more than 130 various sects.

Thus the European abused Christianity for their own selfish interests. The Church cooperated with the European kings. They brain washed its citizens to accept the corruptions and abuse of all their rights. Thus not only Jews ;but mostly other Christians

suffered . Millions if not billions were killed. Mostly Christians killing Christians.

After 1630 -1800 saw the Europeans countries England France Portugal Spain Italy approximately 400 million conquering Africa the Middle East India Burma North Central South America Australia New Zealand parts of China Singapore . This area comprised over I billion

people. The area was 10 times the geographical area of the Europeans. They tortured enslaved wiped out the culture and killed millions if not billions. All in the name of their version of Christianity or higher European civilization.

Thus the hijackers of Christianity threw Christianity to the wind. They espoused a new religion Science. As long as the high priests of science sanctioned their brutality grand larceny rape plunder and murder they swore

allegiance to science.

The murder of the Europeans was the dress rehearsal for the Nazi hordes that killed over 100 million non Jews and wiped out 1/3 of the Jewish people in the holocaust 1940-1945.

After the defeat of the Nazis ,1946-2014 ,the Europeans have substituted the Arabs invented the Palestinians to complete the murderous work of

Hitler to destroy Israel and murder all the 6 million Jews there.

Now the Europeans are facing ISIS the bastard child of the European aggression against the Jews and Israel. ISIS is the other side of the coin -the true face of Fatah Abbas Hamas and thew Palestinians who hate all Jews and want to destroy Israel. ISIS wants to KILL ALL WHO DO NOT ACCEPT THEIR VERSION OF ISLAM. ALL EUROPEANS ALL AMERICANS.

This is the problem that Jews today face. They face the 2000 year anti-Semitic Europeans.

In this struggle all means are legal. God has blessed the remnants of the Jewish people who survived 2000 year European anti- Semitism with genius.

It is survival of the fittest. Only the smartest most capable the most pragmatic Jews and their descendants survived.

These Jews possess the atom

hydrogen neutron bomb and the T=Torah Bomb. Millions of Jews through out the world study Torah. GOD when He created the world stipulated that the purpose of creation was that Jews study Torah. The world depends for its survival on the study of Torah.

Thus the Jew armed with the atom hydrogen neutron and Torah bombs can defend himself and ensure that an other holocaust does not take place. The Jew using pragmatic and spiritual powers will protect Jews in Israel as well

as in the rest of the world.

“Thus said God if it was not for

Al thi sis true if you carry a gun to protect your self and learn how to handle a gun. And do not hesitate to shoot first and ask questions later. If some one attacks you, you shoot first and ask questions later. It is better to err on the side of remaining alive ; rtaher than erring and being dead.
